Dear Colleagues:

We are inviting you to attend the 6th Rizal Library International Conference entitled, “Leadership and Change: Setting Directions, Braving the Odds,” which will be held at Leong Hall, Ateneo de Manila University, Quezon City, Philippines, on October 23-24, 2014.

The keynote speakers for this conference are Mr. Stephen Abram and Fr. Bienvenido Nebres, S.J.

He is a former president of both the Special Libraries Association and the Canadian Library Association, and has been the keynote speaker at numerous conferences around the world.

Fr. Nebres, who was President of the Ateneo de Manila University for 18 years, continues to teach mathematics and is engaged in various programs to help overcome poverty in the country; building homes and communities for the poor with Gawad Kalinga; and supporting young people engaged in social enterprises for poor communities.

1. Management and Leadership
