

RIZAL LIBRARY

CALL FOR PAPERS

6th Rizal Library International Conference
Leadership and Change: Setting Directions, Braving the Odds
Loyola Schools, Ateneo de Manila University
Quezon City, Philippines
October 23-24, 2014

This conference seeks to facilitate discussions related to leadership and change.

Leadership styles dictate the direction, administration, and management of an organization. Similarly, the combined will and ability of an organization's personnel determines the success of the institution. The talents and knowledge of personnel, with proper training and experience, are honed under the guidance of a leader.

Change, in any guise or form, ultimately affects the leadership and management of any organization. This change can be political, social, environmental, technological, or economic in nature. Since change is inevitable, it is only proper to analyze and prepare for the things to come.

The keynote speaker for this conference is Mr. Stephen Abram, one of *Library Journal's* original "Movers & Shakers" in 2002. Mr. Abram is currently Executive Director of the Federation of Ontario Public Libraries, as well as managing principal at Lighthouse Consulting Inc. He is a former president of both the Special Libraries Association and the Canadian Library Association, and has been the keynote speaker at numerous conferences around the world.

The Rizal Library seeks papers for its 6th International Conference with the theme, **Leadership and Change: Setting Directions, Braving the Odds**. This conference aims to highlight how leadership and change affect librarians and libraries, from the most mundane to the most complex facets of library and information practice today.

We welcome proposals on the following topics: library management and leadership, responsive leadership, mentoring, communicating change, and political, economic, social, technological and environmental changes in libraries.

Paper proposals must be submitted on or before April 30, 2014. Proposals must be submitted using the following format:

1. Title of the paper
2. Topic of the paper (choose one of the topics enumerated above)
3. Paper abstract (should not exceed 250 words)
4. Curriculum vitae with photo (indicate achievements and/or publications for the last five years)

Please submit paper proposals to: rl.internationalconference@gmail.com
